

Power Ore Publishes 'Why Copper?'

Toronto, Ontario – November 14, 2019 – Power Ore Inc. ("Power Ore" or the "Company") (TSX.V: PORE) is pleased to publish its investment memorandum entitled **'Why Copper? Dr. Copper is Ailing: But Global Trade Will Revert to the Mean.'**

[Click here to read: Why Copper?](#)

"We've positioned Power Ore to focus squarely on high-grade copper in Quebec, and for a good reason. While the copper market has been frustrated due to trade wars, we have a specific view on copper dynamics and we are confident in its underlying fundamentals. This memo provides our investors insight on copper supply and demand drivers and how they will benefit from high-quality projects in top jurisdictions like Opemiska," said Stephen Stewart, Power Ore's CEO.
